

Thèses

Tulachan, Pushpa V

The lobas of Mustang : Loba ethnography and tourism as development, 2003.

Doctor of philosophy, University of south california.

Assez complet sur l'histoire, l'organisation sociale et le mode de vie des lobas. Un peu dilué cependant et restant superficiel dans certaines analyses.

Basnet, Govinda Bahadur

Water of discord, water of unity : an ethnographic study of the struggle for water rights in upper Mustang, nepal, 2007.

Doctor of philosophy Athens, georgia

Intéressant pour tout ce qui concerne l'irrigation, son organisation ...

Thakali, Shailandra, B.

Localising environment : Mustang's struggle to sustain village autonomy in environmental governance.

2012, Doctor of philosophy , Lincoln university, Christchurch, New Zealand.

Très intéressant pour bien comprendre la nature de l'organisation politique et des différents centres de décision.

Poudel Dilli Prasad

Livelihood and common-pool resources : A study of Thini village, Mustang, Trans himalayan region of Nepal.

2008, Master of philosophy, University of Bergen, Norway.

Une étude assez complète de l'ethnographie de Thini, le village situé au dessus de Jomosom.

Lama, Anu K

Vulnerability of Nature based tourism to climate change : Stakeholder's perceptions of an response to climate changes in Lower Mustang region of the Annapurna conservation area.

2010, Degree of Master of parks recreation and tourism managementt , Lincoln university, Christchurch, New Zealand.

Upadhyaj manij

Relative abundance, habitat preference, and threats of snow leopard *Uncia uncia* in upper Mustang nepal.

2010, Master of science in forestry, Tribhuvan university, institute of forestry, Pokhara, nepal.
